Retiring as Principal of Scoil Íosagáin

Dear Parents/Guardians,

It has been a wonderful honour and privilege to serve you as Principal of Scoil Íosagáin since August 2011. I wish to thank you sincerely for the amazing support you have given to me over the years. I am humbled by your kind words and thoughtful expressions of gratitude.

Being a Principal in a large school such as Scoil Íosagáin is an amazing personal journey, it is also a challenging role. Our pupils, their learning, their welfare must always be top priority in every decision taken. I have endeavoured to do this as Principal with the support of all the wonderful staff of Scoil Íosagáin. Your children have given me many moments of great joy, fun and happiness as I have had the privilege to see their development from the early days in September to the graduation day in June, 2 years later. I want to congratulate you on the wonderful love and support you give your children as they are your future and our school's future.

It is with sadness that I say goodbye to you all now as I leave behind 10 years as Principal and 24 years as a class teacher.

The appointment of a new Principal will take place over the summer months and I know that you will give your support to the new Principal also. May you have many long happy summer days ahead, every success with your families as you work hard each day to be the best parents you can be. I have many wonderful memories of all the special events we have shared over the years. I know you too will cherish the big days we have had and the not so big days.

May God Bless you and your families during the summer months and years ahead.

Mise le meas

Sheila Collins, Principal
